Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 18 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain and drizzle easing, becoming dry later.

Today:
Rain and drizzle gradually easing through the morning, leaving a largely dry afternoon, although remaining quite cloudy. Winds generally light, though breezy across northern parts of Staffordshire. Maximum temperature 20 deg C (68 deg F).

Tonight:
Through the evening and night, patchy light rain returns at times for most. However, remaining largely dry, with a few clear spells towards dawn. Winds falling light overnight. Minimum temperature 13 deg C (55 deg F).

Thursday:
Initially dry with some sunny spells, before showers develop into the afternoon. Showers generally scattered, some heavy, but grouped for a time across northern areas. Turning dry by night. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
Remaining dry and bright on Friday. Turning unsettled over the weekend, with rain arriving on Saturday, and showers on Sunday, heavy at times. Winds easing.
